

We, the manufacturer,

DekTec Digital Video BV
Godelindeweg 4, 1217HR Hilversum
The Netherlands

declare under our sole responsibility that the product:

DTA-2131B
Multi-Standard Cable/Terrestrial Receiver for PCIe

conforms to and is manufactured in accordance to
the provisions of the following regulations:

Directive (EU) 2011/65 (RoHS 2)
Directive (EU) 2015/863 (RoHS 3)
Regulation (EC) No 1907/2006 (REACH)

During development of the product, DekTec exclusively uses electronic and mechanical components that conform to the provisions of the above-mentioned EU RoHS directives. DekTec ensures that all components have a corresponding declaration of conformity.

DekTec uses contract manufacturers for production of the above-mentioned product. The contract manufacturer has declared in writing that all chemicals and other materials used in the production process fully meet the relevant REACH requirements.
